Overview

191st on Mainstream Charts

369th on Emerging Charts

284th on Twitter

279th in the Music Press

This report reviews the popularity of Bring Me The Horizon on the music charts and in the music news for the period July to December 2010. It benchmarks Bring Me The Horizon against the 2,987 artists that appeared on the We Are Hunted charts during this period. The results are based on an analysis of 486,631 music articles and 16,063,656 music related tweets. News is sourced from a range of publishers including all the major music news sites and an army of passionate bloggers worldwide. Charts are compiled from samples of hundreds of charts in a range of music genres. This report was written by the We Are Hunted team and generated using the semantic analysis system that powers the wearehunted.com website.

Chart Popularity
